

HealthCareTN Membership

Empowering Employers to Transform Healthcare.

Welcome to HealthCareTN – a statewide, employer-led business coalition on health, committed to transforming healthcare right here in Tennessee. Together, our members leverage their power and collective voices to drive real change in healthcare across the state – working collaboratively to accelerate healthcare value, improve healthcare outcomes, and drive affordability so our communities can thrive.

Mission

To unite and empower Tennessee’s leading employers in implementing innovative, value-based, data-driven solutions that significantly improve the health of individuals, make healthcare delivery more affordable, and enhance the overall quality of healthcare for all Tennesseans.

Vision

To significantly improve the health of individuals, make healthcare delivery more affordable, and enhance the overall quality of healthcare for all Tennesseans.

The State of Tennessee

Joining HealthCareTN transformed our approach to associate health benefits. Their expertise helped us enhance our programs, addressing workforce needs more effectively. The coalition connects us with like-minded employers, focusing on improving healthcare access and outcomes. Collaborating with plan sponsors enables us to tackle current healthcare challenges, anticipate future trends, and design benefits with a growth mindset. HealthCareTN’s guidance has strengthened our benefits strategy and our ability to positively impact associate wellbeing.

First Horizon

As a large employer in the healthcare provider space, I like the employer-focused perspective HCTN provides. They also engage with other stakeholders, including vendors. HCTN keeps me well informed about issues and practices that impact the healthcare market and employee benefits. I appreciate the access to independent expertise.
